

P5: MAPINKI LEBUSA

Mapinkie Lebusa is a poultry farmer and initially started in 2017.

This business provides broiler at different times of the year and annually she produces 2 200 chickens.

Each month she buys 200 chicks that are a day old but in winter she buys only 100 chicks due to changes in weather.

Her market is the local communi-

District:

Askop Resource Centre, Alwyn'skop Mabuseng

ty of Mabuseng in Quthing District. She does not package them due to the lack of an abattoir in the district.

She started this business from her proceeds earned from her fruits and vegetables business.

She is self-sponsored. She produces 2 200 chickens.
