**Sefikeng Resource Centre, Masaleng**

to build a second infrastructure, and to build infrastructure she has also received a loan from the bank to buy more sows, from 10 to 25 sows.

The farm currently has 25 Camboroughs and three boars and 121 piglets which are ready for sale.

Piglet production can go up to about 22 piglets per sow.

She sells piglets to other farmers and associations and also fattens unsold piglets and sells pork to Snackbar Chisanyama and individuals.

*To improve infrastructure she has also received a loan from the bank.*
